Shareholders, who individually or jointly account for at least one fortieth of the share capital may ask, within ten days of publication of the notice calling the shareholders' meeting, or within five days in the event of calling the meeting in accordance with Article 125-bis, paragraph 3, or Article 104, paragraph 2, for the integration of the list of items on the agenda, specifying in the request the additional items they propose or presenting proposed resolution on items already on the agenda. The requests, together with the certificate attesting ownership of the shares, are presented in writing, by correspondence or electronically, in compliance with any requirements strictly necessary for the identification of the applicants indicated by the company. Those with voting rights may individually present proposed resolutions in the shareholders' meeting. For cooperative companies the amount of the capital is determined by the statutes also in derogation of Article 135.
2. Additions to the agenda or the presentation of new proposed resolutions on items already on the agenda, in accordance with paragraph 1, are disclosed in the same ways as prescribed for the publication of the notice calling the meeting, at least fifteen days prior to the date scheduled for the shareholders' meeting. New proposed resolutions on items already on the agenda are made available to the public in the ways pursuant to Article 125-ter, paragraph 1, at the same time as publishing news of the presentation. Terms are reduced to seven days in the case of shareholders' meetings called in accordance with Article 104, paragraph 2, or in the case of a shareholders' meeting convened in accordance with Article 125-bis, paragraph 3.
3. The agenda cannot be supplemented with items on which, in accordance with the law, the shareholders' meeting resolves on proposal of the governing body or on the basis of a project or report prepared by it, other than those specified under Article 125-ter, paragraph 1.
4. Shareholders requesting addition to the agenda in accordance with paragraph 1 shall prepare a report giving the reason for the proposed resolutions on the new items for which they propose discussion or the reason relating to new proposed resolutions presented on items already on the agenda. The report is sent to the governing body within the final terms for presentation of the application for addition to the agenda. The governing body shall make the report available to the public, accompanied by its own observations if any, at the same time as publishing news of the additions to the agenda or presentation of new proposed resolutions in the ways pursuant to Article 125-ter, paragraph 1.
5. If the governing body, or should it fail to take action, the board of auditors or supervisory board or control committee fail to supplement the agenda with the new items or proposals presented in accordance with paragraph 1, the court, having heard the members of the governing and control bodies, where their refusal to do so should prove to be unjustified, orders the additions to the agenda by decree. The decree is published in the ways set out by Article 125-ter, paragraph 1.
